Design Notes:

Landing page for Recipe link

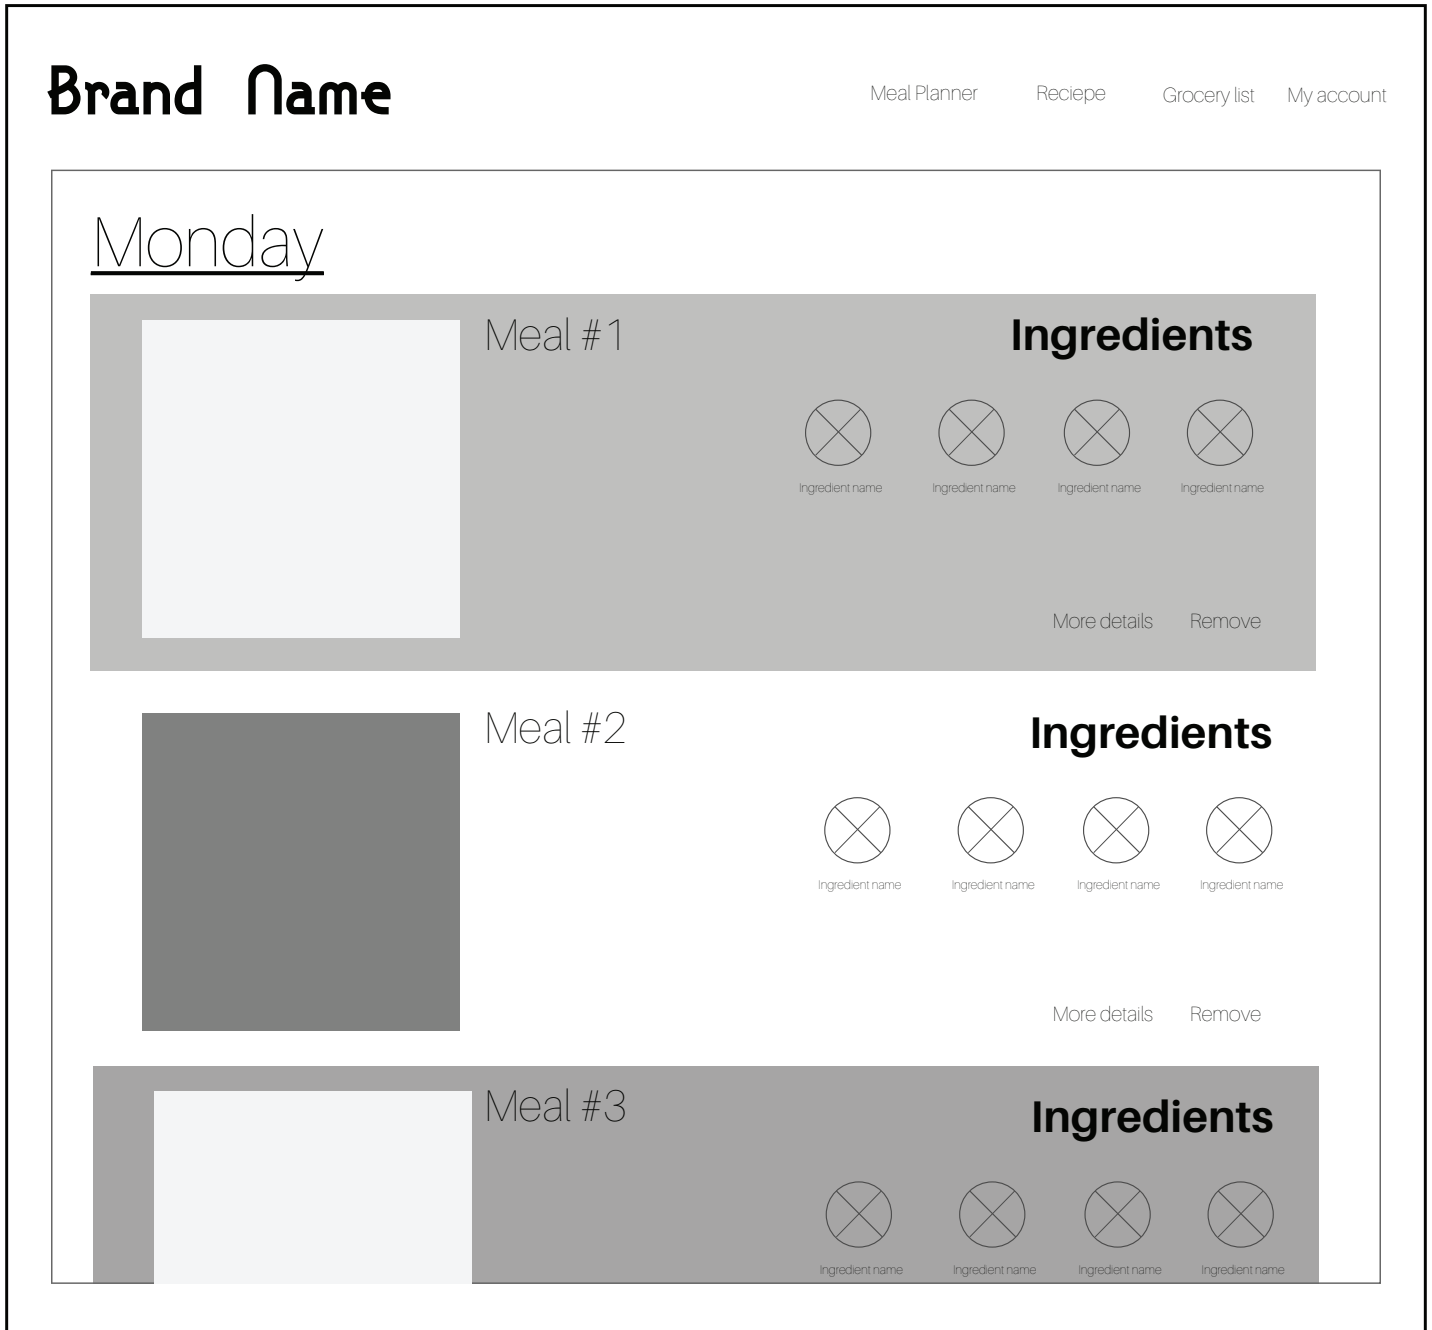

User will get to choose which particular day that he/she wants to go into for more details on the recipe for each different image.

# Wire Frames

Desktop

View for View all

Design Notes:

Upon clicking View all, user gets to see a more detailed view including functions to remove and an option to navigate to the recipe page for that particular meal.

User can have the option to click on the image itself to view recipe page

However, the main purpose of this page is for shopping convenience. Some users may buy up to 3 days worth of ingredients for meal prep.
